- **Technical visits to the nuclear facilities of the North-West region of Russia**
- **X international exhibition "Nuclear industry" (LENEXPO fairgrounds in the harbor of St.-Petersburg)**

VENUE, WORKING LANGUAGES AND PROCEDURE

The Forum program will include plenary and section meetings, panel discussions and poster presentations. The meetings will be held at the ATOMPROF Institute. Time for paper presentations at the plenary and section meeting is 20 min. Working languages of the Forum are Russian and English, simultaneous translation will be available. Participants presenting papers will have an opportunity to demonstrate transparent slides of A4 format, to use computers and projecting equipment.

REQUIREMENTS TO PAPERS

The Forum Proceedings will be published in two languages before the Forum. The Secretariat of the Forum accepts properly prepared papers until **1 August 2010**.

Authors should submit a CD-ROM with electronic version of their paper (or send papers by e-mail) in the Word or PDF format (Text_Doc style: Times New Roman, 10 pt., paragraph indent 1,27 cm., single space, 2 cm. for all margins) to the Secretariat. If papers contain objects made in other software (drawings, schemes, etc.) they should be attached as separate files (tif., 300 dpi, cdr., etc.) Authors should put their names under the name of the paper and indicate organization they work at. At the same time authors must enclose their permission for publishing their paper in the Forum proceedings.

Mounts for poster presentations (1mx1m) are provided by the Secretariat of the Forum.

The Forum program will be published in Russian and English and will be sent to participants in advance.

REGISTRATION FEE

The registration fee for participation in the Forum is **600 (Six hundred) euro** including VAT 18%. The registration fee includes participation in the scientific program, oral or poster report, simultaneous translation, publishing the paper in the Forum proceedings, an information pack, attendance of the exhibition, participation in the official reception, coffee-breaks, technical excursions and cultural program.

PAYMENT PROCEDURE

A participant shall send a completed registration form to the Secretariat. After receiving the registration form the Secretariat will fax the participant an invoice for payment and at the same time will mail the participant 2 copies of the contract and the original invoice. The participant must inform the Forum Secretariat about his payment according to the invoice (or fax a copy of a payment order with bank notice).

Payment by cash is made during the registration of participants on September 27-28, 2010; in this case the participant must send a letter guaranteeing payment to the Forum Secretariat.

ACCOMMODATION of the Forum participants and persons accompanying them will be organized at St. Petersburg hotels and the hotel of the ATOMPROF Institute.
